School Song

It's good to live - in this place
With the trees - and plenty of space:
Here where people know how to care,
Helping one another and sharing.

Here we smile - when you're glad
Cheer you up - when you're sad,
Here we all work together to make - everything fine;
This school is mine!

That's why I'm
Proud to belong with Glen Forrest
Proud to belong to this school,
Proud to belong with the Gold and Purple and
Proud. to belong with you.

7 Habit Rap

Come on everybody now don't be slack
We're gonna do the 7 Habit Rap
Be Proactive is Habit One
You're in charge and this is fun!
If you begin with the end in mind
Habit Two is what you'll find
First things first is Habit Three
This is your priority

Work First Then Play, that's what - we say

Come on everybody - think Win-Win
Habit Four will make us grin
If we listen before we talk
We'll be doing the Habit Five walk
That will lead to Habit Six
Synergise is the best mix
Habit Seven is Balance Feels Best
Now our school has passed the test!

Work First Then Play, that's what - we say
